From your associational missionary,

I found myself in some interesting places week before last. I was in "The Big House" (University of Michigan's football stadium) and I went to Hell (Michigan). After those two stops - I was glad to get back to Elmore County Alabama.

Seriously, it was a privilege to visit two associations in Southeast Michigan as a part of a mission "VISION" tour. 18 folks from Alabama (including 5 from Elmore County) were invited to come and see what the Lord is doing among His church there and how we might partner with the folks there.

Its exciting to me that Elmore Baptists are connected in partnership with brothers and sisters in Guatemala (we'll be returning there in May '08). Its also exciting to pray about possible partnerships in Michigan.

Pray with us concerning these and other areas of mission partnership. **Pray also** about how you and your church might be involved.

WHO KNOWS -- you, too might end up in "The Big House" or somewhere else -- on mission with the Lord.

It's a joy to serve the Lord with you!

Prison Ministry

Pray with us about new opportunities for ministries at Tutwiler. If you feel led to be a part, give us a call (567-7321)

We thank God for the opportunity of working in his labor. Pray for our two Missions: Wetumpka Calvary Mission and Tallassee Riverside Heights Mission. We have entered in an agreement of being a Hispanic Church and we are praying for a location where we can function properly.

We also thank you our Lord for the opportunity that our Elmore Baptist Association, supported by our 43 churches, can extend to the Hispanic Ministry to other Associations in the area.

Coosa River Baptist Association is open to the Hispanic Ministry, and we have begun to help to reach out for the Hispanics in Sylacauga through the Mignon Baptist Church. Pray that our Almighty God gives us the strength to do His work. We praise God for brothers and sisters like Judy and brother Luther who have a heart for mission in Judea. Acts 1:8.

Blessed be his Name!

Yours, until He returns,
Alex and Victoria
