

Good News

From Elmore Baptist Association
"Churches in Fellowship & on Mission"

November 8, 2007

from your associational missionary,

The 94th annual session of EBA is over, but its impact will continue among the churches as we follow "what the Spirit said to the churches."

We were reminded of the fellowship we share in Christ. We were challenged to be actively involved in sharing our faith. We were

inspired by the variety of ways that common folk find to introduce others to Jesus.

THANKS to Bro Derek Gentle, the staff and volunteers for their tireless effort to prepare for us and to make us feel comfortable and welcome. A special **THANKS** to Darrell Jennings, Charlie Kuykendall and Mary Chandler for their special leadership and help.
